

CITYNET

CITYAPP: INNOVATIVE SOLUTIONS  
FOR SUSTAINABLE CITIES

CityNet is the largest association of urban stakeholders committed to sustainable development in the Asia Pacific region. Established in Yokohama, Japan in 1987 with the support of UNESCAP, UNDP, and UN Habitat, the Network of cities has grown to include 123 municipalities, NGOs, private companies, and research centers

CityNet connects actors, exchanges knowledge, and builds commitment to more sustainable and resilient cities. Through capacity building, city to city cooperation, and tangible projects, we help our members respond to 4 Cluster Areas: Climate Change, Disaster Resilience, Infrastructure, and the Millenium Development Goals
